ARCH 518: Recording Historic Buildings

Instructor: Paul H. Kapp

Fridays 9:00 am to 12:00 pm

This course examines techniques for recording historic buildings and sites: measuring, photographing, and drawing to Historic American Building Survey standards; taking field notes and investigating public records to document reports.

The techniques and methods of recording historic buildings are practiced through recording of a specific building, to be announced shortly.

Course Prerequisite: ARCH 419 and demonstrated ability in architectural graphics; or consent of instructor.
