The Association of Collegiate Schools of Architecture (ACSA) is pleased to announce the seventeenth annual **STEEL DESIGN STUDENT COMPETITION** for the 2016-2017 academic year. Administered by the Association of Collegiate Schools of Architecture (ACSA) and sponsored by the American Institute of Steel Construction (AISC), the program is intended to challenge students, working individually or in teams, to explore a variety of design issues related to the use of steel in design and construction.

The 2016-2017 Steel Design Student Competition will offer architecture students the opportunity to compete in two separate categories. A total of $14,000 will be distributed in cash prizes. *Students may not enter both categories of the competition.*
